NUTCRACKER SUPPLY LIST

Listed below is a list of items needed for each role. Several supplies can be found at Dance Things in Pineville, Wal Mart and Academy Sports. All of these items can also be purchased from Dance Distributors and Discount Dance Supply. Also, if you have shoes, leotards, tights, etc, which your dancer has outgrown, there will be a swap day coming soon. Watch for more information at the studio.

Pointe Shoes: All pointe shoes are to be calimined. Absolutely no ribbons sticking-out. All are to be sewn for the performance.

Ballet Shoes: If you are purchasing new shoes, I suggest the split-soled shoes. These look great on your feet.

Tights: All tights are to the Capezio Hold & Stretch - Style C14 for adults and C14C for children.

Pink Camisole: There are several choices in the Dance Distributors or Discount Dance catalogs. There will be a group order from the company. Order forms can be found at the sign-in table.
